

Curriculum Vitae

Ulrich W. Ebner-Priemer

Address: Department of Educational Psychology & House of Competence;
Institute for Education, University of Karlsruhe; Hertzstr. 16; 76187
Karlsruhe

Birth date: 18.03.1971

Citizenship: German

Phone: ++49 721 608 4600 Fax: +49 721 608 4633

Email: ulrich.ebner-priemer@hoc.kit.edu

Internet: www.ebner-priemer.de www.ambulatory-assessment.org

Education

1991 - 1994: Undergraduate Studies in Psychology, University of Mannheim, Germany
Vordiplom (B.A. in Psychology), September, 1993

1994 - 1998: Graduate Studies in Psychology, University of Freiburg, Germany
Diplom (M.A. in Psychology), Oktober, 1998

MA thesis: Psychophysiology of exposure therapy - A pilot study with
patients suffering from agoraphobia with panic disorder
Reviewer: Prof. D. Riemann & Prof. J. Fahrenberg, Grade: 1.0

1995 - 1998: Training in Client Centred Therapy

1999 - 2003: Training in Dialectical Behavior Therapy (DBT)

2000 - 2003: Training in Behavioral Therapy at the Freiburg Institute of Behavioral
Therapy (FAVT)

2003: Ph.D. in Psychology at the University of Freiburg, Germany
Dr. phil., June, 2003

Ph.D. thesis: Psychophysiological Ambulatory Monitoring in Psychiatric
Research – An Investigation in Borderline Personality Disorder
Reviewer: Prof. Jochen Fahrenberg & Prof. Michael Myrtek
Grade: magna cum laude

2009: Habilitation at the Medical Faculty Mannheim at the University Heidelberg,
Germany. Habilitation thesis "Affektive Instabilität und dissoziative
Symptomatik bei der Borderline-Persönlichkeitsstörung:
Untersuchungen in Labor und Alltag" [Affective instability and
dissociative symptoms in patients with borderline personality disorder:
Studies in the laboratory and daily life]. Venia legendi for neuropsychology,
clinical psychology and medical psychology.

Recent Positions

- 2008 - Interim professor, Department of Educational Psychology & House of Competence, University of Karlsruhe (TH)
- 2005: Visiting scholar at the Behavioral Research & Therapy Clinics (BRTC), University of Washington, Seattle, USA (Prof. M. Linehan)
- 2003 - 2008: Postdoctoral Fellow at the Central Institute of Mental Health, Germany; Head of the study group psychophysiology
- 1999 - 2003: Ph. D. student at the University of Freiburg Medical School, Germany. Projects on the Startle Response in BPD (Bo 1487/2-1) and Ambulatory Assessment in BPD (Bo 1487/3-1) funded by the German Research Foundation
- 1998 - 1999: Research Assistant at the Psychophysiology Research Unit, University of Freiburg, Germany (Prof. J. Fahrenberg). Projects on Ambulatory Assessment in Parkinson and posture detection
- 1994 - 1998: Research Assistant at the University of Freiburg and the University of Freiburg Medical School, Germany

Honors

- 2007: "Honorable Mention Award" of the National Education Alliance for Borderline Personality Disorder (NEA-BPD)

Professional Association Memberships

- German Society for Psychophysiology and its Applications (DGPA)
- Society for Psychophysiological Research (SPR)
- Society for Ambulatory Assessment (SAA): general secretary
- German Society for Psychology (DGPS)

Journal Appointments**Consulting reviewer of international scientific journals**

- Journal of Abnormal Psychology
- Psychological Medicine
- Psychophysiology
- Archives of General Psychiatry
- American Journal of Psychiatry
- Developmental Psychology

Journal of Medical Internet Research
Journal of Nervous and Mental Disease
Journal of Personality
Journal of Personality and Social Psychology
Psychological Methods
Psychological Assessment
Health Psychology
British Journal of Clinical Psychology
Applied Cognitive Psychology
Psychology and Psychotherapy: Theory, Research and Practice
Psychiatry Research
Personality and Mental Health
Scandinavian Journal of Psychology
European Psychologist
Schizophrenia Research
The Journal of Positive Psychology

Consulting reviewer

Social Sciences and Humanities Research Council of Canada
International Conference on Ambulatory Monitoring of Physical Activity and Movement
IEEE International Conference on Pervasive Computing Technologies for Healthcare

Research Projects and Grants

Ongoing research projects and cooperations

- 2010- : "Experimental investigation of ruminative and mindfulness: Using fMRI and ambulatory assessment in clinical and non-clinical samples"
Principal Investigators: Kuehner, C. (CIMH Mannheim) et al.
German Research Foundation

- 2009- : "Real-time data capture in medical research"
Principal Investigator: Ebner-Priemer, U.W. (KIT)
Submitted to the BMBF

- 2009- : "Moderators and mediators of the relation between physical activity and well-being in old age: An interactive ambulatory assessment study"
Principal Investigators: Kanning, M. (Universität Stuttgart), Ebner-Priemer, U.W. (KIT)
Submitted to the German Research Foundation
- 2008- : "Experimental induction of disease-related fear using electronic diaries"
Principal Investigator: Bailer, J. (CIMH Mannheim)
German Research Foundation
- 2008- : "Monitoring of physical activity in depressed patients before and after pharmacological treatment"
Principal Investigators: Deuschle, M. (CIMH Mannheim), Ebner-Priemer, U.W. (KIT)
- 2007- : "Real time monitoring of physical activity in students and elder people"
Principal Investigators: Kanning, M. (Universität Stuttgart), Ebner-Priemer, U.W. (KIT)
- 2008- : "Experimental induction of ruminative states using electronic diaries"
Principal Investigators: Kuehner, C. (CIMH Mannheim), Ebner-Priemer, U.W. (KIT)

Conducted research projects

- 2004–2007: "Learning and brain plasticity in borderline personality disorder with and without comorbid posttraumatic stress disorder"
Principal Investigator: Martin Bohus
German Research Foundation: Bo 1487/5-1
- 2004–2008: "Developing Computer Based Treatments for Addiction"
Principal Investigator: Thomas R. Lynch (Duke University, USA);
Co-Investigator: Ebner, U.W.
National Institute of Drug Abuse NIDA: R01DA18311-01
- 2005: "Ambulatory psychological and psychophysiological Monitoring and Assessment – an Expert Meeting at the Central Institute of Mental Health in Mannheim, Germany: June 30th 2005 – July 2nd 2005"
Principal Investigators: Ulrich W. Ebner-Priemer
German Research Foundation: EB 364/2-1
- 2002–2004: "Ambulatory Interactive Psychophysiological Monitoring in Female Patients with Borderline Personality Disorder"
Principal Investigator: Martin Bohus
German Research Foundation: BO 1487/4-1
- 2000–2002: "Physiologic Reactivity to Startling Tones and Their Habituation in Women with Borderline Personality Disorder"
Principal Investigator: Martin Bohus
German Research Foundation: BO 1487/3-1

Doctoral Dissertation Advisor

Mauchnik, J. (2008). *Emotionales Lernen bei Patientinnen mit Borderline-Persönlichkeitsstörung: Physiologische, emotional-kognitive und behaviorale Parameter*. Unveröffentlichte Dissertation, Medizinische Fakultät Mannheim der Ruprecht-Karls-Universität Heidelberg.

Prill, T. (2008). *Ambulantes psychologisches Monitoring zum emotionalen Erleben bei Patientinnen mit Borderline-Persönlichkeitsstörung: Ein Vergleich mit klinischen und gesunden Kontrollgruppen*. Unveröffentlichte Dissertation, Medizinische Fakultät Mannheim der Ruprecht-Karls-Universität Heidelberg.

Schmidt, I. (2003). *Die Folgen früher Gewalterfahrung – Eine Untersuchung der Schreckreiz-Reaktivität bei lebensgeschichtlich früh traumatisierten Frauen*. Göttingen: Cuvillier Verlag.

Advisor for Master Thesis (Diplom)

Reiber, C. (2009). *Stress und Belastung bei Schülern – Ein empirischer Vergleich von G98 und G9*. Unveröffentlichte Staatsexamensarbeit, Universität Karlsruhe.

Lutz, A. (2009). *Aktivitätsmuster stationärer Patienten mit Major Depression*. Unveröffentlichte Diplomarbeit, Universität Mannheim.

Santangelo, P. (2009). *Dysfunktionales Verhalten, Stimmung und Selbstwert bei Patientinnen mit Borderline-Persönlichkeitsstörung*. Unveröffentlichte Diplomarbeit, Universität Mannheim.

Koudela, S. (2009). *Affektinstabilität und Selbstwert bei der Borderline-Persönlichkeitsstörung*. Unveröffentlichte Diplomarbeit, Universität Mannheim.

Taxis, S. (2007). *Klassische Konditionierung bei der Borderline Persönlichkeitsstörung*. Unveröffentlichte Diplomarbeit, Universität Mannheim.

Detterer, L. (2002). *Ambulantes interaktives psychophysiologisches Monitoring bei Patientinnen mit einer Borderline-Persönlichkeitsstörung - Eine empirische Studie zum Vergleich zweier Theorien zum Spannungskonstrukt bei Borderline-Patientinnen*. Unveröffentlichte Diplomarbeit, Albert-Ludwigs-Universität Freiburg.

Thielgen, T. (2002). *Ambulantes Monitoring bei Borderline-Patientinnen - Eine empirische Studie zur Validierung der biosozialen Theorie nach Linehan*. Unveröffentlichte Diplomarbeit, Albert-Ludwigs-Universität Freiburg.

Badeck, S. (2001). *Habituation der Schreckreaktion bei Patientinnen mit Borderline-Persönlichkeitsstörung unter Spannung und Non-Spannung*. Unveröffentlichte Diplomarbeit, Albert-Ludwigs-Universität Freiburg.

Beckmann, C. (2001). *Startle Response bei Patientinnen mit Borderline-Persönlichkeitsstörung*. Unveröffentlichte Diplomarbeit, Universität Konstanz.
